*Under the IBC Act, the annual fee is payable not later than the last day of the calendar quarter in which the IBC was incorporated or continued.

PENALTIES

An IBC that fails to pay the annual fee by the due date shall, in addition to the annual fee, pay a penalty of an amount equal to 10% of the annual fee (e.g a company due to file its annual fee by 30th June 2007 and fails to do so, shall immediately thereafter incur a penalty of 10%, i.e US\$200 + 20 = US\$220 payable to the Government of Anguilla.)

FURTHERMORE,

An IBC that fails to pay the annual fee and the (10%) penalty before the expiration of 3 months from the due date shall, in addition to the annual fee, be liable to pay a penalty of an amount equal to 50% of the annual fee (e.g using the same example above. Should this company fail to file its annual fee by the end of September, shall immediately thereafter, incur a 50% penalty, i.e US\$200 + 100 = US\$300 payable to the Government of Anguilla)

After the expiration of a further 3 months, an IBC failing to file its annual fee shall be struck off the register by the Registrar of Companies.

If the company is restored within 6 months immediately following the striking off the register the Government restoration fee is US\$300 + penalties (i.e US\$300 + US\$300 = US\$600.00)

If restored later than 6 months immediately following the striking off the register the Government restoration fee is US\$600 + penalties (i.e US\$600 + US\$300 = US\$900.00).
